EDUCATION

BACHELOR OF FINE ARTS (BFA): GRAPHIC DESIGN
California State University Fullerton • 2012 - 2014

Graphic Design Fundamentals: A strong foundation in the principles of graphic design, including layout, composition, color theory, typography, and visual hierarchy.

Digital Proficiency: Proficiency in using industry-standard design software such as Adobe Creative Suite (Photoshop, Illustrator, InDesign) and other digital design tools.

User Experience (UX) Design: Understanding of UX principles to create user-friendly and engaging digital interfaces.

PROFILE

I'm a graphic designer who discovered a love for coding after graduation. Since then, I've immersed myself in coding through on-line courses, certifications, and hands-on projects. This unique blend of design aesthetics and technical skills enables me to create captivating digital experiences. I'm eager to contribute my expertise to projects that bridge the gap between artistry and technology.

PROFESSIONAL SKILLS

- JavaScript
- React
- Typescript
- CSS
- Tailwind CSS
- Node.js
- MongoDB
- SQL
- React Native
